

GRAND RABBINAT DU QUÉBEC

To Rav Raphael Afilalo

September 23, 2005

Dear Raphael,

It is with great interest that I have read your "Kabbalah Dictionary", which brings to the public the explanation of the main concepts and themes of the Lurianic Kabbalah, and the Kabbalah of the Ramhal as well.

It is obvious that your efforts invested in this work, will lead to the results that your explanations and commentaries will be of a great contribution to those who seek to study Kabbalah.

With the blessings of the Torah,

Dr. David Sabbah, Grand Rabbin
